SUBJECT: Meeting on the Saad Site, Nashville, Tennessee

At the request of several of the PRP's, EPA has scheduled a meeting for all interested parties on December 14, 1989. The meeting will be a chance for you to meet each other, and to ask any questions of me that you wish. Mary Johnson, with EPA's Office of Regional Counsel, will also be available to answer legal questions.

I have scheduled the meeting for 10:00 AM EST, in the EPA offices at 345 Courtland Street, Atlanta, Georgia. If you are renting a car, you will want to take I-85 North from the airport to the Piedmont exit downtown. Take a right on Piedmont, then a left a couple blocks up on Currier, just past the Civic Center sign. You can park in the lot on the right, and the main entrance to EPA is on Courtland.
